2019 COURSE ENROLMENT GUIDE

Faculty of Health Sciences

Bachelor of Exercise and Health Science
(continuing students only)

Melbourne

(Information last updated on 7 September 2018)

GET STARTED!
Click through the links below to information in this Guide

STEP 1 Have a look at your Course Map for the structure of your course. This may vary depending on the campus and the year you started the course. Make a note of the core units you need to enrol in for 2019.

STEP 2 Make sure you’ve read the Course Information. It has links to the Handbook, which contains information on the major, minor and specialisation options available in your course. Be sure you are familiar with the rules and structure of your course.

STEP 3 Next up, check the Unit Information for details about elective units offered at your campus this year. Pay particular attention to prerequisite requirements.

STEP 4 Head over to the Enrolment page on the ACU website. You’ll see step-by-step instructions on how to enrol in units via Student Connect. Please enrol for the whole year. Remember, you can change your Semester 2 enrolment up until the second week of semester and won’t be charged Semester 2 fees until August. Units may be cancelled if enrolment numbers are too low.

The Course Enrolment Guide is designed to assist you in the selection of units and to ensure that you are aware of the requirements of your degree, diploma or certificate. Specific information relating to unit content and assessments will be provided by your School.

Before you go, did you know?
Course Enrolment Guides can change so you should check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student email address so make sure you’ve got it set up and you check it regularly. All your email communication with University staff must be sent from your ACU student email account.
## 1. COURSE MAPS

### Bachelor of Exercise and Health Science (Melbourne)

#### Year 3

| Semester 1 | EXSC399 | Industry Experience  
(Pre: EXSC205)  
(20cp) | ELECTIVE 2 | EXSC392 | Leadership Development in Physical Activity |

**ALTERNATIVE TO UNIVERSITY CORE CURRICULUM UNITS**
In the course maps UNCC100 Self and Community: Exploring the Anatomy of Modern Society and UNCC300 Justice and Change in a Global World are Core Curriculum units. As an alternative, students may be eligible to take PHIL102 Theories of Human Nature or PHIL104 Introduction to Ethics in place of UNCC100; and PHIL320 Ethics, Justice and the Good Society in place of UNCC300. Full details of the eligibility requirements are available on the Philosophy Units section of the Core Curriculum website. For details of unit offerings please follow this link.
2. COURSE & UNIT INFORMATION

Course Structure

The ACU Handbook provides detailed information about each ACU course, including minimum duration, requirements for completion, exit points, any available majors/minors/specialisations, Core Curriculum units and descriptions of units. Please follow the links below to view the rules for your course:

2019 Unit Selection

*Click HERE for a list of elective unit offerings for 2019*

Students should enrol in the sequence shown in their program map. Any student studying out of sequence should contact their Course Coordinator prior to enrolling.

*You must enrol for both semesters, not just Semester 1.* Not only is this a requirement of the Academic Regulations, but ACU also uses enrolment information to understand the demand for each unit and schedule enough spaces. Semester 2 tuition fees are not due until August, and remember, you can always amend your enrolment prior to the census date.
3. GETTING ADVICE

Course Advice

Course Coordinators are available to assist you with course advice. Students should in the first instance contact the Course Administrator on their campus. If required, your query will be referred to a Course Coordinator. Please email your enquiry or request to make an appointment.

General Advice

All queries not specifically related to your course, such as admissions, enrolment, fees, scholarships, exams, timetabling and graduations should be directed to ASK ACU.

The Administration & Enrolment webpage also has useful information to help you in managing your studies (log in required).

Social Media Policy

ACU encourages its staff, students and affiliates to participate in social media in ways that demonstrate respect for the dignity of all human beings; and do not bring ACU into disrepute or imply ACU endorsement of personal views.

Please visit the link below for more information about your obligation and responsibilities:
Social Media Policy

Professional Practice

Students participating in Professional Practice or Community Engagement activities might be asked to complete a range of background checks, certifications, immunisations and registrations as required by Federal and State/Territory laws prior to commencing their placement, practicum or field experience. Please refer to the Work Integrated Learning webpage to see which requirements you need to fulfil for your study program in your State/Territory. Further information can also be obtained from your Course Coordinators as listed above.
The Core Curriculum

All undergraduate students are required to complete the University Core Curriculum as part of their course. The Core Curriculum is comprised of three units and further information on its structure can be found on the Core Curriculum webpage. The Core Curriculum units specific to your course are indicated on the course map and can also be found in the Handbook.

The Australian Catholic University Core Curriculum has been designed to focus on aspects of the University’s identity and mission. These units emphasise critical judgment, clear expression, ethical decision-making and concern for others, as individuals and as a community.

The two University Core Curriculum units are:

- **UNCC100 Self and Community: Exploring the Anatomy of Modern Society**;
- **UNCC300 Justice and Change in a Global World**; and

The third unit making up the Core Curriculum is a Core Curriculum Community Engagement unit that is also specific to each program, serving to draw the Core Curriculum experience together and offering students an opportunity to live the Core Curriculum in action.

Alternatively, students may be eligible to take **PHIL102 Theories of Human Nature** or **PHIL104 Introduction to Ethics** in place of UNCC100; and **PHIL320 Ethics, Justice and the Good Society** in place of UNCC300. Full details of the eligibility requirements are available on the Philosophy Units section of the Core Curriculum website. For details of unit offerings please follow this link.

UNCC100 and UNCC300 (but not PHIL102, PHIL104 or PHIL320) are often taught over differing week patterns to allow for student placements at various times during semester. Students should take special care to note the week pattern of tutorials when they allocate in tutorial direct to ensure that they are choosing the correct stream for their course.
