2019 COURSE ENROLMENT GUIDE
Faculty of Health Sciences

Master of Rehabilitation (Neurological Physiotherapy)
Graduate Diploma in Rehabilitation
Graduate Certificate in Rehabilitation (Physiotherapy)
Brisbane, Online and Multimode

GET STARTED!
Click through the links below to information in this Guide

STEP 1 Have a look at your Course Map for the structure of your course. This may vary depending on the campus and the year you started the course. Make a note of the core units you need to enrol in for 2019.

STEP 2 Make sure you’ve read the Course Information. It has links to the Handbook, which contains information on the major, minor and specialisation options available in your course. Be sure you are familiar with the rules and structure of your course.

STEP 3 Head over to the Enrolment page on the ACU website. You’ll see step-by-step instructions on how to enrol in units via Student Connect. Please enrol for the whole year. Remember, you can change your Semester 2 enrolment up until the second week of semester and won’t be charged Semester 2 fees until August. Units may be cancelled if enrolment numbers are too low.

The Course Enrolment Guide is designed to assist you in the selection of units and to ensure that you are aware of the requirements of your degree, diploma or certificate. Specific information relating to unit content and assessments will be provided by your School.

Before you go, did you know?
Course Enrolment Guides can change so you should check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student email address so make sure you’ve got it set up and you check it regularly. All your email communication with University staff must be sent from your ACU student email account.

### Exit Points

- **Graduate Certificate Rehabilitation (Physiotherapy)**
- **Graduate Diploma Rehabilitation**
- **Master of Rehabilitation (Neurological Physiotherapy)**

### PLEASE NOTE:

All units are delivered in **Attendance** mode, unless otherwise indicated.

A prerequisite is a requirement that must be met by a student before enrolment in a stipulated unit. It is your responsibility to ensure that you meet all prerequisites prior to enrolling in a unit. Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period.

### STUDY MODES

- **Attendance**: Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.
- **Multi-mode**: Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residencies etc).
- **Online**: Unit delivered fully online (including assessments).

Information last updated on 7 September 2018
2. COURSE & UNIT INFORMATION

Course Structure

The ACU Handbook provides detailed information about each ACU course, including minimum duration, requirements for completion, exit points, any available majors/minors/specialisations, Core Curriculum units and descriptions of units. Please follow the links below to view the rules for your course:

<table>

</tbody>
</table>

2019 Unit Selection

Students should undertake units in the sequence shown in the above maps. Any student studying out of sequence, or who needs to repeat a unit, must contact the Course Co-ordinator or Course Administrator for advice.

The Program Map includes information on the campus, semester and study mode for each unit. For descriptions of units, please refer to the ACU Handbook. Please select the appropriate year and then click on ‘Unit Descriptions’. Please note that unit availability and study modes are subject to change.
3. GETTING ADVICE

Course Advice

Course Coordinators are available to assist you with course advice. Students should in the first instance contact the School Administration Officer on their campus. If required, your query will be referred to a Course Coordinator. Please email your enquiry or request to make an appointment.

General Advice

All queries not specifically related to your course, such as admissions, enrolment, fees, scholarships, exams, timetabling and graduations should be directed to ASK ACU.

The Administration & Enrolment webpage also has useful information to help you in managing your studies (log in required).

Social Media Policy

ACU encourages its staff, students and affiliates to participate in social media in ways that demonstrate respect for the dignity of all human beings; and do not bring ACU into disrepute or imply ACU endorsement of personal views.

Please visit the link below for more information about your obligation and responsibilities:
Social Media Policy

Professional Practice

Students participating in Professional Practice or Community Engagement activities might be asked to complete a range of background checks, certifications, immunisations and registrations as required by Federal and State/Territory laws prior to commencing their placement, practicum or field experience. Please refer to the Work Integrated Learning webpage to see which requirements you need to fulfil for your study program in your State/Territory. Further information can also be obtained from your Course Coordinators as listed above.
