STEP 1 Have a look at your Course Map for the structure of your course. This may vary depending on the campus and the year you started the course. Make a note of the core units you need to enrol in for 2019.

STEP 2 Make sure you have read the Course Information. It has links to the Handbook, which contains information on the major, minor and specialisation options available in your course. Be sure you are familiar with the rules and structure of your course.

STEP 3 Next check the Unit Information for details about elective units offered at your campus this year. Pay particular attention to any prerequisite requirements.

STEP 4 Go to the Enrolment page on the ACU website. You will see step-by-step instructions on how to enrol in units via Student Connect. Remember to enrol in all units for the whole calendar year, not just Semester 1. Students can change Semester 2 enrolment any time until late August and won’t be charged until census date has passed. Note that some units may be cancelled if too few students remember to enrol early.

The Course Enrolment Guide is designed to assist you in the selection of units and to ensure that you are aware of the requirements of your degree. Specific information relating to unit content and assessments will be provided by your School.

Before you go, did you know?
Course Enrolment Guides can change so you should check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student email address so make sure you have got it set up and you check it regularly. All email communication with University staff must be sent from your ACU student email account.

2019 Unit Selection

*Please enroll for both Semester 1 and semester 2 in 2019. Remember, you can change your Semester 2 enrolment up until the second week of Semester 2. This will help prevent units being cancelled due to small enrolment numbers. Semester 2 tuition fees aren’t payable until August.*

Please note that study modes and unit availability are subject to change and not all units are on offer in all study periods at all times. Students must refer to their course map first, and then check the relevant offering list/s below for 2019 unit availability prior to enrolling. Students can enrol in any offered mode of a unit (Attendance or Online).

**Note:** Minimum enrolment numbers apply to all units. The Faculty of Law and Business reserves the right to cancel units with low enrolment numbers. Students’ progression will not be compromised and they will be advised of cancellations prior to the start of semester and offered an alternative unit wherever possible.
