STEP 1 Have a look at your Course Map for the structure of your course. This may vary depending on the campus and the year you started the course. Make a note of the core units you need to enrol in for 2017.

STEP 2 Make sure you’ve read the Course Information. It has links to the Handbook, which contains information on the major, minor and specialisation options available in your course. Be sure you are familiar with the rules and structure of your course.

STEP 3 Next up, check the Unit Information for details about elective units offered at your campus this year. Pay particular attention to prerequisite requirements.

STEP 4 Head over to the Enrolment page on the ACU website. You’ll see step-by-step instructions on how to enrol in units via Student Connect.

The Course Enrolment Guide is designed to assist you in the selection of units and to ensure that you are aware of the requirements of your degree, diploma or certificate. Specific information relating to unit content and assessments will be provided by your School.

Before you go, did you know?
Course Enrolment Guides can change so you should check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student email address so make sure you’ve got it set up and you check it regularly. All your email communication with University staff must be sent from your ACU student email account.

---

**PLEASE NOTE:**

All units are delivered in Attendance mode, unless otherwise indicated.

Prerequisite units are indicated in italics.

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period.

**STUDY MODES**

**Attendance:** Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.

**Multi-mode:** Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, workshops, residencies, etc).

**Online:** Unit delivered fully online (including assessments).

**PREREQUISITES**

A prerequisite is a requirement that must be met by a student before enrolment in a stipulated unit. It is your responsibility to ensure that you meet all prerequisites prior to enrolling in a unit.
2. COURSE INFORMATION

2.1 Course Structure

The ACU Handbook provides detailed information about each ACU course, including minimum duration, requirements for completion, exit points, any available majors/minors/specialisations, Core Curriculum Program units and descriptions of units. Please follow the links below to view the rules for your course:

<table>

3. UNIT INFORMATION

3.1 Click here to see your 2017 Unit Selection

Students should undertake units in the sequence shown in the above maps. Any student studying out of sequence, or who needs to repeat a unit, must contact the Course Co-ordinator or Course Administrator for advice. All students enrolled through the Barwon Health initiative contact the Course Administrator for advice.

The Program Map includes information on the campus, semester and study mode for each unit. For descriptions of units, please refer to the ACU Handbook. Please select the appropriate year and then click on ‘Unit Descriptions’. Please note that unit availability and study modes are subject to change.
4. GENERAL ADVICE

All queries not specifically related to your course, such as admissions, enrolment, fees, scholarships, exams, timetabling and graduations should be directed to Ask ACU.

The Administration & Enrolment webpage also has useful information to help you in managing your studies.

4.1 Course Specific Advice

Course Coordinators and/or Course Advisors are available to assist with enrolment and re-enrolment. You can telephone, email or contact them in person to make an appointment.
