Study Abroad OR Global Studies Internship Program

Students will have the opportunity to learn about the social, political, cultural, environmental and economic changes that are shaping the world and to combine this knowledge with a period of study abroad/exchange at one of over 60 partner institutions around the world (availability is subject to students meeting entry requirements of partner Universities). As an alternative to studying coursework abroad, selected students may have the opportunity to join the Global Studies Internship Program, and complete a 12 week (full-time equivalent) internship overseas in a field of employment that matches their major areas of study. Whether you choose Study Abroad (SA), or our Global Studies Internship Program (GSIP), you will gain valuable global experience together with an opportunity to reflect on and evaluate your experiences overseas.

Information sessions will be held to provide further guidance during first, second and third year. You will normally be required to start the process of finding an exchange or internship during your second year, with all applications for SA/GSIP due in early December of your second year.

There are additional costs associated with the Study Abroad and Global Studies Internship Program. The ACU Vice Chancellor’s Travel Grant (VC Grant) is a one-off subsidy up to a value of $2500 and is available to students to subsidise part of the costs of their Study Abroad or Internship Program. If a student chooses to use the VC Grant for overseas travel prior to and not related to their Study Abroad or Internship Program, then that student cannot use it to subsidise their Study Abroad or Internship Program. This same condition applies even if the student does not receive the full VC Grant amount for their prior travel. For more information and conditions associated with the VC Grant, please refer to https://students.acu.edu.au/806606.

Completing an approved Study Abroad program or an approved internship overseas is an important, and compulsory requirement of all Global Studies degrees at ACU.
PLEASE NOTE:
All units are delivered in Attendance mode, unless otherwise indicated. Prerequisite units are indicated in italics. Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period.

Students should enrol for the full 2017 year.

GENERAL ELECTIVE UNITS
General Elective units are any other undergraduate units (including Law Elective units not already taken as a Law Elective Unit).

LAW ELECTIVE UNITS
All Law Elective units have a prerequisite of LAWS104. Some Law Elective units have additional prerequisites- these are listed in the Course Rules.

STUDY MODES
Attendance: Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.
Multi-mode: Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residential etc).
