2017 COURSE ENROLMENT GUIDE
FACULTY OF HEALTH SCIENCES and
FACULTY OF LAW AND BUSINESS
Bachelor of Biomedical Science/Bachelor of Laws
Melbourne and North Sydney

(Information last updated on 1 October 2016)

The Course Enrolment Guide is designed to assist you in the selection of units and to ensure that you are aware of the requirements of your degree, diploma or certificate. Specific information relating to unit content and assessments will be provided by your School.

GET STARTED!
Click through the links below to information in this Guide

STEP 1 Have a look at your Course Map for the structure of your course. This may vary depending on the campus and the year you started the course. Make a note of the core units you need to enrol in for 2017.

STEP 2 Make sure you’ve read the Course Information. It has links to the Handbook, which contains information on the major, minor and specialisation options available in your course. Be sure you are familiar with the rules and structure of your course.

STEP 3 Next up, check the Unit Information for details about elective units offered at your campus this year. Pay particular attention to prerequisite requirements.

STEP 4 Head over to the Enrolment page on the ACU website. You’ll see step-by-step instructions on how to enrol in units via Student Connect.

Before you go, did you know?
Course Enrolment Guides can change. So you should check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student email address. So make sure you’ve got it set up and you check it regularly. All your email communication with University staff must be sent from your ACU student email account.
