2. COURSE INFORMATION

PLEASE NOTE:
All units are delivered in Attendance mode, unless otherwise indicated. Prerequisite units are indicated in italics. Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period.

STUDY MODES
Attendance: Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.
Multi-mode: Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residential etc).
Online: Unit delivered fully online (including assessments).

PREREQUISITES
A prerequisite is a requirement that must be met by a student before enrolment in a stipulated unit. It is your responsibility to ensure that you meet all prerequisites prior to enrolling in a unit.

ELECTIVES
Electives may be chosen from undergraduate units taught within the Peter Faber Business School or from other Faculties of this University providing pre-requisite requirements are met and your course coordinator approves. Once you have enrolled in your core units you can select an elective that avoids timetable clashes.

PROFESSIONAL EXPERIENCE
All undergraduate students enrolled in a Business Degree course at Australian Catholic University participate in Professional Experience. There are additional Professional Experience electives. These units have a Professional focus: students learn in the workplace, develop professionalism and business competencies within their disciplinary area. One of the many advantages for students undertaking the Professional Experience Program is gaining insight into professional career opportunities available within their chosen field.

Please note that unit availability and study modes are subject to change.
Course Rules

The ACU Handbook provides detailed information about each ACU course, including minimum duration, requirements for completion, exit points, any available majors/minors/specialisations, Core Curriculum Program units and descriptions of units. Course Specific Advice

In previous years, many of the Undergraduate business units have been delivered as a stand-alone lecture and tutorials. We are now moving towards workshops of 2 or 3 hours in duration. As the workshop will combine the lecture and tutorial, you will no longer need to enroll in a lecture and a tutorial if you enroll in a workshop.

By providing workshops, we hope to create a better student experience as the workshop model will eliminate the need to attend a lecture and a separate tutorial.

If you have any questions, and to assist with enrolment and re-enrolment, you can either email your question to Business.UG@acu.edu.au or click here for details of your Course Advisor on campus.
